Item specifics

Item Type:Switches

Warranty:1 years

Channel: 1 way

Remote Distance: 20M

Features:One ways Bulb Holder

Switch Type:Remote Control

Battery life: 12month (20 times a day)

Battery type: 27A 12V

Size of remote controller: 100*47*10mm

Size of receiver: 60*89mm

Max load

Input power: AC180V-245V 50/60Hz

Output power: AC180-245V 50/60Hz

Max load per way:

Incandescent lamp≤800W

LED lamp≤90W

H lamp≤110W

working temperature<80° C

Direction of use

"ON" button: to turn on the lamp

"OFF" button: to turn off the lamp

"LED" button: to turn on the spot light on the top of the remote controller
