

RF 1CH 433mhz 1 button Wireless Remote Control Switch 12v Light DC3V-24V Mini Receiver Home Office Bedroom Led

Item specifics

Package:Yes

Frequency:433 MHz

Channel:1

Use:Universal

remote control color and material:white and plastic

remote control distance :Is greater than 200M

Products include:1pieces remote control and 1 pieces module

Working Voltage:3V-24V

Maximum load power:less than 5W

Standby current:0.2mA

The battery model of remote control:6F22 9v(include)

remote control button:1 button

characteristic

- 1.360 degree,NO dead Angle
- 2.RF Remote Control Switch,can through walls
- 3.Ultra low power,Suitable for battery
- 4.Super small size,Factory direct sale
- 5.Independent coding, many sets will be not interference of each other
- 6.If need more set of general,please descr

- 1.Products small size, wiring simple, suitable for DIY modified
- 2.Remote control directly control the power of open and close

Product scope

LED lamps and lanterns. WIFI devices. Wireless monitoring equipment. The battery switch. Electric control lock. Press the power switch. A small motor. The motor. Buzzer. The electromagnet .Laser .Electronic circuit board power supply equipment

Product parameters

Working voltage: DC 3V-24V

module dissipation: 7mA

Product frequency:433MHZ

The output voltage=The input voltage

Load power: Less than 10 watts of equipment

Remote control distance: Empty distance greater than 200M

Product detail

Remote control size: 5.34inch*1.67inch*0.85inch

Module size: 0.65inch*0.41inch*0.13inch

use

Small volume, easy wiring, power to on / off by radio

Control mode will have the voltage that the device needs.

e.g.

Input of devices is 12V, transmitter will output 12V current.

Press the ON button for 1 second, the module will emit power (relay is switched on).

Press the OFF button for 1 second, the module will output power (relay is switched on).

Transmitter for 1 second delay response time (standby mode is the sleep mode, remote must send out the signal for one second.)

Product wiring instructions
